Taos Art Museum at Fechin House
227 Paseo del Pueblo Norte
Taos, New Mexico 87571
(575) 758-2690

There is plenty of parking here. It would be best to park in the gravel lots near the front of the property. Just a short walk to the gardens.

The Couse-Sharpe Historic Site
146 Kit Carson Road
Taos, NM 87571
(575) 751-0369

There is a nice sized Free City Parking Lot just east of the site on Kit Carson Road. The parking lot at the museum is quite small and would best be left for tourists and handicapped parking. There may be other free parking spots on side streets near by.

E.L. Blumenschein Home and Museum
222 Ledoux Street
Taos, New Mexico 87571
(575) 758-0505

There is very limited parking near here. We recommend artists get together beforehand and work out carpooling arrangements and dropping off those less able to walk long distances. Most lots near here are private and threaten tow away.

Hacienda de los Martinez
708 Hacienda Way
Taos, New Mexico 87571
(575) 758-1000

The Martinez Hacienda is just off State Road 240, (Ranchitos Road). You can find Ranchitos Road on the Taos Walking Map supplied to you. Look for the number 24 on the map for Hacienda de los Martinez. Simply follow the winding road through the Taos countryside following the occasional brown and white signs pointing the way to the Hacienda. The last one being at Hacienda Way. The site is just a hundred yards off State Road 240.

It can also be reached by turning West off State Road 68, (Paseo del Pueblo Sur) at the light in Los Ranchos de Taos onto State Road 240 and following the winding and picturesque road a couple of miles to Hacienda Way. Look for the brown and white signs pointing the way. There is ample parking at the site.
